## Black Friday

Can you believe Thanksgiving is literally next week, and Christmas will be here soon after?! It seems like only a few weeks ago we were in shorts and tank tops at the beach; where does time go? I guess I can't complain, who doesn't love the holiday season? I know I sure do...

**(Is this how you are feeling)**

Although you're preparing to "Deck the Halls", hang the lights and trim the tree, it's important to do something nice for yourself as well. Along with spending time with family and friends, I also plan on discovering better ways to serve my clients.

I've decided to run a "Black Friday" special, giving you the opportunity to take a class with me for only ½ of the original price. Perhaps this can melt some of that holiday stress if you're looking for employment or seeking ways to improve your business. The special includes: "8 Ways to Land a Career in a Down Economy" (original price **\$125** per 1hr and 1/2, currently **\$62.50**). "Interviewing, Sales and Closing Techniques" (originally **\$90** per hr, now **\$45**.) "Marketing Plans" originally **\$125**, now **\$62.50**.)

You must contact me between now and November 25th to schedule an appointment to qualify for this special. My schedule will be filling quickly, so call today to guarantee your time slot. Call me at 203-879-2003 or 203-441-5327. I look forward to helping you succeed with minimal stress this holiday season!
